## **Webinar: Talent Management**

**December 21 @ 12:00 pm - 1:00 pm EST**

Talent management is a business strategy that refers to an organization's commitment to recruit, hire, manage, develop, and retain talented employees. Human Resources perform many of these functions, but managers perform the critical role in developing employees on a day-to-day basis. In this webinar, hear talent managers discuss their techniques. Panelists include Dr. Michele Paludi, Matthew Baird, Dr. Teresa Jepma, Dr. John Theodore, and Dr. David Lawyer. This will be an important introduction to the new interdisciplinary course Excelsior is developing: "Strategic Talent Management in a Complex World."
